Living Stones is the heritage and educational arm of St Mary the Virgin, the beautiful 12th-century church in the heart of Iffley village

We are looking for volunteers

Volunteers of any age, background or beliefs are welcome to join us. We:

- welcome visitors to the church, and discuss its history and architecture;
- run activities, events and lectures for the general public

For more information about our activities see
<https://livingstonesiffley.org.uk>
